Wi-BBP

Balance Board Rechargeable Battery Pack

2800 MAH

for Wii fit™

Sustain the length of your Wii Fit gaming sessions with the Balance Board Lithium Ion Battery Pack for the Wii Fit Balance Board from CTA Digital, Inc. This rechargeable battery pack is specifically designed to fit in the Wii Fit Balance Board battery compartment. To charge just insert the DC end of the cable into the DC jack of the pack then connect the USB plug into the USB port on the back of the Wii console, Computer or other USB power source.

Features include:

- Compatible with Wii Balance Board power supply.
- Large capacity rechargeable battery.
- Batteries can be charged while Board is in use (through a USB cable)
